

All posters must include:

- Your individual team member names and affiliations
- The D4SD logo bar at the bottom of this template

Good posters will include:

- A title that explains your project at a high-level
- Large visual images that illustrate the problem and/or solution
- A description and evidence about problem / issue
- Info about known issues, contacts, and resources
- Illustrations, photos or mockups of your prototype
- Data from human-centered research (e.g., interview quotes)
- Insights based on feedback from the community
- A plan for how to fund and implement your concept
- Documentation of your team's process
- Acknowledgements
